Dear Sir,

Enclosed for filing in the above-referenced patent application are the following:

1. Executed Combined Declaration and Power of Attorney for Patent Application; and
2. Communication Concerning Entity Status.

Applicant qualifies for small entity status under 37 CFR §1.9 and §1.27; therefore, the small entity fee of \$65.00 for the surcharge for filing a late Declaration is being paid by Deposit Account deduction with submission of this document through the USPTO's Electronic Filing System.

With regard to the request for additional claim fees, applicants respectfully note that, following entry of the Preliminary Amendment filed with the current application, the application has a total of **8** independent claims, i.e. **5** independent claims over 3. The required fee for 5

additional independent claims was paid at the time of filing the application. It is therefore submitted that no additional claim fees are due at this time. However, should the Commissioner continue to disagree with the applicants position, he is hereby authorized to charge the additional small entity claim fee of \$100.00 to Deposit Account Number 19-3555.

The Commissioner is hereby authorized to charge any additional fees which may be required in connection with the filing of this document, or to credit any overpayment, to Deposit Account Number 19-3555.

Respectfully submitted,

Janet Sleath
